# OBA Pledges to End EEZ for NE Hamilton, Somerset & St. George's

The OBA has pledged to get rid of grants for businesses operating in the EEZ. This policy would be a disaster for business owners struggling to compete in Northeast Hamilton, Somerset and St. George's.

The OBA doesn't really care about businesses in these areas. They are looking out for the wealthy families that have historically controlled the island.

**OBA: NO IDEAS.  
NO SOLUTIONS.**
