Summary

Known for our breaking news reports, live coverage, constant innovation, and reliability, Bernews' 24/7 news coverage has created an around-the-clock readership that provides your campaign with constant exposure.

Entering the arena in 2010 as Bermuda's first 24/7 digital news service, Bernews has grown into a 13-time award winning media outlet and the island's largest provider of online video, with almost 200,000 social media fans across our network.

Providing excellent value for money, we include all ad placements in both the desktop and mobile versions of all websites in our network, with your ad banners appearing on Bernews, ForeverBermuda, BermudaCovers.com and our Covid-19 website.

We offer the same pricing on a cost per view/size basis as overseas websites and social media, but advertising with us has the added benefit of supporting a Bermuda company and Bermudian news - plus we offer free graphic design services to all of our clients!

Our advertising service is like our news; fast, always reliable, and available seven days a week, with every campaign including free graphic design and detailed analytical reports.

Numbers At A Glance

Millions of website views per month

30 million+ video views on our Youtube

1 million+ social media impressions per month

190,000+ social media fans

75,000+ website news articles

40,000+ desktop & app breaking news subscribers

12+ media and website awards

Free App Directory Listing

Regardless of whether you advertise with Bernews, we're happy to offer a free listing in the Bernews app to all Bermuda businesses!

Available for both Apple and Android devices, the Bernews app puts your business at the fingertips of people across the island when they're on the go, providing the address, phone number, and a map, and allowing for simple one-click calling.

The app also features breaking news alerts, videos, photos, weather, obituaries, podcasts and more, making it an ideal platform for a one-stop Bermuda experience - your business included.

To get your free business listing in the Bernews app, email support@bernews.com with the business name, phone number, full physical address, and either your logo or a photo of the business, and we'll take things from there and confirm when your listing has been added.

Only businesses with physical addresses in Bermuda are eligible for a free listing.

Free Ad Design Services

We also specialize in graphic design - a very popular element on the web and social media - and offer 100% free graphic design services to all advertisers, big and small, allowing you to forego the cost and trouble of a third-party designer as Bernews takes care of your advertising experience from start to finish.

Our free design services are part of our top notch service standards, with free design available 7 days per week; this complimentary service will help ensure that you receive the maximum return possible on your advertising dollars.
