

Latest Watches, Warnings & Advisories

Small Craft Warning

Valid: This morning through This afternoon

Updated: 11:30 am Wednesday, September 16, 2020

Additional Information:

Although winds are now below threshold, seas will remain locally rough through the period due to Hurricane Paulette's exiting swells.

Please refer to the latest forecast for detailed information on conditions likely to affect Bermuda and the surrounding marine area. This is available by dialing 977, 9772 or by logging onto our website www.weather.bm.

Thunderstorm Advisory

Cancelled

Updated: 11:30 am Wednesday, September 16, 2020

Small Craft Warning

Issued when winds of mean speed 20 to 33 knots and/or seas of 9 feet or greater are forecast to affect the marine area within the next 36 hours.

Thunderstorm Advisory

Issued if there is a moderate to strong forecast probability of Thunderstorms affecting Bermuda and/or the marine area.

Please refer to the latest forecast for detailed information on conditions likely to affect Bermuda and the surrounding marine area. This is available by logging onto our website at www.weather.bm.

The above warning(s) will be updated as conditions warrant.
