

NOTICE TO ALL OF OUR VALUED CUSTOMERS
SERVICE DISRUPTION JULY 25,2024 – AUGUST 6,2024

Bermuda Motors Ltd is working on improving our premises to create an enhanced experience for our customers and our team members. For example, you will have noticed the ongoing renovation of our Toyota Showroom. Our next project is maintenance work in our Mechanical Service Department. As a result of that work, access to this department will be disrupted from July 25, 2024, through to August 6, 2024.

Please be assured that we will be working diligently over the Cup Match holiday to complete the work as quickly as possible, with the goal of minimizing any inconvenience to you.

We appreciate your understanding and patience during this time and look forward to serving you better once the maintenance is completed.

Thank you for your continued support.
