### *U11 & U13 Boys & Girls*

12:30-12:50 pm - Drop off & sign in

1:00-1:50 pm - Period I (Ball mastery. Passing & receiving)

2:00-2:50 pm - Period II (1v1 Attack & Defense, Speed, Finishing)

3:00-3:50 pm - Period III (Group Play)

4:00 pm - Dismissal & Pickup

## **Friday: 5v5 Tournament format with all the participants!**

The day will start with the first hour of Coerver Coaching activities to review content from the camp curriculum for the week. Then, players have a break for hydration and snack before our 5v5 Cup Tournament Begins!

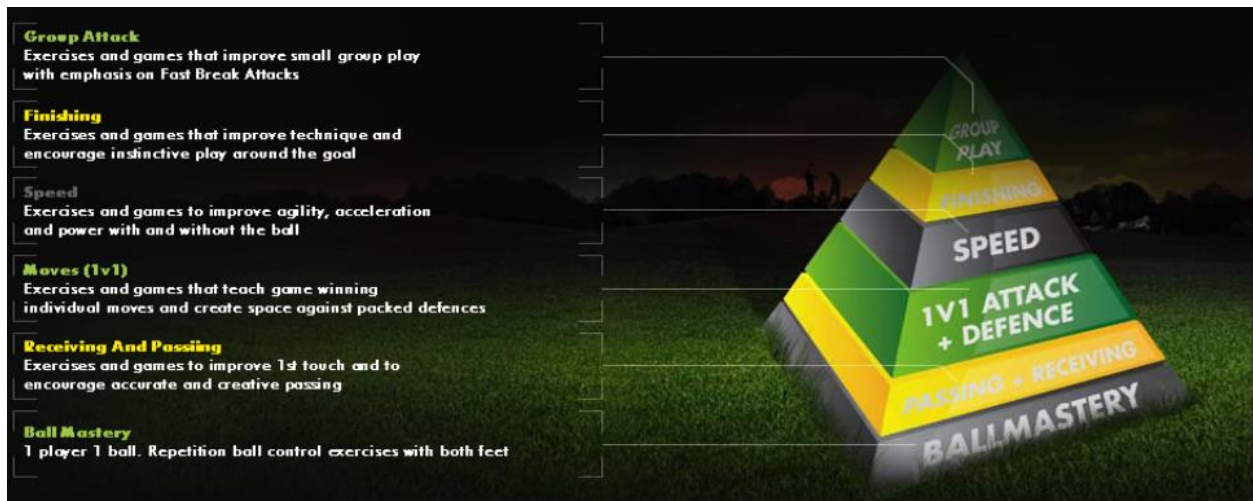

Participants will be divided into World Cup teams for tournament play using a Coerver format of 5v5 goals (6ft high x 12 ft wide) and field dimensions (with 2-point shooting line). It is a great way to apply what you just learned while having a BLAST!

**What's included in camp fees:** 15 hrs. of coaching instruction & football activity, camp t-shirt, individual evaluation at conclusion of the camp

## Why choose Coerver Coaching Camp:

All of our Camps and Programs are designed to provide each player with a positive experience and newfound success through competition and Fun! Our curriculum will improve each player with their confidence and how to combine with teammates for peak performance.

## Coerver Coaching Curriculum:

## What special equipment does my player need to participate in a Program?

Just normal football gear (to include: football shoes, shin guards and long socks that cover the shin guards, along with weather appropriate clothing).

## Need a full day camp for your child?

Our focus is on a quality experience for your child to maximize the benefits of the training program. Full day camps are physically taxing on the player on a daily basis and over the course of the week. When fatigue sets in the quality of the training and focus to the instructional detail begins to decrease. By delivering a 1/2-day camp experience, the quality level of the individual's participation remains at a higher level and the player's focus on & retention of the instructional points is increased.

We understand that some families require a full day camp option for parents with work commitments, and as such we have arranged options for supervised activities during the morning and afternoon for those who require. We have a schedule of activities for each day. The cost of the optional daily 1/2-day activities is \$35 per day and covers supervision, transportation and activity fees. The Coerver football camper would join the activities during the time they are not engaged in football programming (either morning or afternoon) with a drop off time of 8:30 am and pickup at 4:00 pm daily.

Lunch time period would run between 12:00-1:00 pm each day at school, campers would need to bring a packed lunch.

The tentative schedule for activities for the week is as follows:

**Monday** - Fry Days Bounce Park

**Tuesday** - Movies

**Wednesday** - Swimming @ WA Pool

**Thursday** - Mini Golf

**Friday** - Bowling

## Registration:

You can register for the Coerver Coaching Football Camp via the link below:
